CANCELLATION OF ELECTRONIC FILINGS

Sir:

This is a request to cancel two electronic filings that occurred on November 13, 2007 for the above-identified case. The Authenticated User was Robert C. Faber, and the filings were done by Lisa Fiumara. During the time of filing a Response to Restriction and Petition for Extension of Time when the submit button was clicked on Lisa was brought back to the "User Authentication" screen. After logging in to her workplace to check the status of the filing, the transaction was listed twice and showed the filings were "in progress". Without an Acknowledgment, and unable to confirm that the filings were received, and since the Response to Restriction was due on November 13, 2007 with a two-month extension of time, we filed the same via facsimile with authorization to charge deposit account for the fee. Therefore, we kindly request that the following transactions be canceled and no additional fees be charged:

EFS ID No.: 2462231 in connection with U.S. Serial No. 10/686,191; and**EFS ID No.: 2462175** in connection with U.S. Serial No. 10/686,191.

Respectfully submitted,

THIS CORRESPONDENCE IS BEING
SUBMITTED ELECTRONICALLY
THROUGH THE PATENT AND
TRADEMARK OFFICE EFS FILING
SYSTEM ON November 14, 2007.
